Notes

- Gift Card # Entry**
Additional instruction about gift card validation requirements. Text link adds additional gift card # fields.
- Card Review Window**
Pop over window opens onClick from "CSV Help Link" and "GC Help Link" with corresponding card art/diagram and calls for critical data.
- Quick Checkout Data**
Entry from quick checkout CTA pre-populates this data with account info. Defaults shipping to first presented option.
- Shipping Method Review**
Should populate with data from corresponding panel. "Edit" text link appears, opens panel 2.
- Additional Shipping Info**
Room for additional shipping messaging.

Notes

- Activity Pop Over**
Appears when Process Order is clicked. Activity animation plays. Additional order messaging can appear, ie. shipping times, success message, failure message.
- On Success**
Success appears, payment pop over closes after delay. Payment panel should close and present confirmation panel.
- On Failure**
Error messaging appears, pop over closes after delay, error highlights appear in payment info panel.

Notes

- Domestic Pop Over**
Appears after proceed CTA is clicked and shopping bag contains Haz Mat items or any other items with shipping restrictions. See Haz-Mat SOW.
- Intl Pop Over**
Appears after proceed CTA is clicked and shopping bag contains Intl Haz Mat items or any other items with shipping restrictions. See Haz-Mat SOW.
- Intl Shipping Pop Over**
Displays relevant shipping info and notices.

Notes

- HTML receipt page**
Printer friendly receipt page extends as necessary. NO bg graphics.
